PERMANENT JOBS

Marketing Assistant – Retail – Bristol to £25k (Reference 27992LS)

Lovely opportunity for a master of marketing to work for this luxury accessory brand based in Bristol. As Marketing Assistant the main purpose of the role is to develop, implement and coordinate the marketing activities of the brand. You will be fully involved in trade and consumer advertising, PR and media relations, E commerce, brand communication, retailer and consumer communication, competitive analysis and brand management. You will ideally have a marketing or business studies qualification with around 18 months to 2 years experience as a Marketing Assistant behind you. Experience of working across the B2B retail sector or working with a B2C consumer brand would also be very advantageous.

PR Account Manager – B2B and consumer within a full service agency – Bristol to £30k (Reference 27977LS)

Fancy working for one of the top PR agencies in Bristol? Yep, thought as much! This award winning full service agency is currently looking for a PR Account Manager. This large team of PR experts is looking for someone to come in and work across a variety of exciting B2B and Consumer clients. On a day to day basis you will be account managing your clients ensuring that PR objectives are met with suitable campaigns. You will also be writing press releases, building relationships with key journalists, selling in, getting involved with new business projects, mentoring junior staff as well as getting involved in other areas of the business such as recruitment. You will ideally come from an agency background and will have 2 years experience working across both sectors. Strong writing and presentation skills are needed with a confident attitude to match.

PR Account Executive – B2B and Consumer – Somerset to £18k (Reference 27861LS)

Superb opportunity for an ambitious PR Account Executive to join this highly reputable and successful PR agency. This agency works across both the consumer and B2B sectors operating across an array of interesting and exciting industries including lifestyle and travel. The role will include the standard PR services such as press release writing, building relationships with the relevant media as well as getting involved in research for new business projects. The ideal person for the role will have experience of working across the consumer and B2B sectors and feel comfortable in front of clients, selling in and writing top notch press releases. Character is equally as important as skills when it comes to working for this agency and an energetic, confident, team player style attitude is definitely required.

Senior Account Director – Brand and Marketing – Full Service Agency – Bristol – to £60k plus benefits and car (Reference 27725LS)

When I say rarely available, that's really the truth. It's not often that a great job like this is available in the South West area, fantastic salary, first class environment, national and international clients, and with a superb leader/director to work with. This is a highly confidential vacancy for one of the South West's leading agencies, and your background needs to be top class to match this great team. Previous experience at a similar level essential along with ambition, motivation, great team leadership skills and all round brilliance in account management.

Senior Account Manager – Healthcare and Environmental PR – Gloucestershire - £35k plus great benefits (Reference 27724LS)
